

Subject plan of Magazine of Civil Engineering, 2016

№	Дата выхода	Срок подачи материалов**	Тема
1(61)	12.02.2016	25.12.2015	Building structures. Structural mechanics
2(62)	01.04.2016	19.02.2016	Technology and organization of construction. Building materials and units
3(63)	06.05.2016	14.03.2016	Foundation engineering. Hydraulic construction
4(64)	24.06.2016	16.05.2016	Strength of materials. Structural mechanics
5(65)	26.08.2016	11.07.2016	Building structures. Industrial and road construction
6(66)	21.10.2016	05.09.2016	HVAC systems. Water supply and sewerage systems. Hydraulics
7(67)	18.11.2016	07.10.2016	Building materials and articles. Technology and organization of construction
8(68)	23.12.2016	14.11.2016	Building walling. Energy saving in construction
